The Concorde Fire Sparks and Flames program is an exceptional co-ed soccer program for children 5-8 years old, conducted by Concorde Fire staff coaches. This program concentrates on providing young players with a solid foundation in basic soccer technical skills. This is achieved through fun and challenging exercises. In addition we will include small-sided games, give players an opportunity to get a feel for the bigger field and coaches will incorporate the idea of field positioning. There are no try-outs for the Sparks and Flames program and registration is based on space availability.
